at Lillehammer
01.- 03. December 2017!**

Real sport enthusiasm!

Lillehammer Ski Festival is the organizer of the World Cup Nordic Skiing at Lillehammer taking place 1.- 3. December 2017. This event in early December has become a tradition since founded in 2013.

Lillehammer Olympiapark AS is responsible for VIP/Hospitality during the event. We are pleased to invite you as our client to an unforgettable weekend in Lillehammer, filled with lots of sports enthusiasm, good atmosphere, memories of the Olympics in 1994, social gatherings and sports up close.

You can choose between three different daytime packages where we can offer heated VIP tent, tickets to both venues, an extensive lunch buffet, dinner, fruits and snacks, access to the best seats available, free shuttle bus to Birkebeineren Ski Stadium and information before and after the competitions. If we are lucky we might also be accompanied by some of the performers.
